# HOW DID THE COMPTROLLER GET MY PROPERTY?

## IDENTIFY

A business or bank identifies money or property belonging to someone they are unable to contact.

## RETAIN

The business or bank holds the property for at least one year.

## TRANSFER

If there are no claims or activity on the account, the property is transferred to the Comptroller.

### MONEY

Money is posted by account owner name online, and will show dollar amount.

### SAFE BOX

The name of the box's owner is listed online, but there is no dollar amount shown.

### AUCTION

Items not claimed after one year are put up for auction.

### STOCK

The name of the stock owner is listed online, but there is no dollar amount shown.

### SHARES SOLD

Stocks may often be sold.

### DIVIDENDS

Any dividends collected are added to the account.
