

TEXAS WOMEN IN EDUCATION AND HEALTH SERVICES

The education and health services industry, sometimes called a “super sector,” is comprised of two distinct sectors – educational services and health care and social assistance. In 2016, education and health services contributed \$104.8 billion to Texas’ GDP. **IN 2017, WOMEN HELD 77 PERCENT OF THE STATE’S 1.6 MILLION JOBS** in the industry – the highest share of female employment among all industries in Texas.

JOBS HELD BY TEXAS WOMEN IN THIS INDUSTRY

1.3 MILLION

The employment of 1.3 million Texas women in education and health services generates additional business activities throughout the Texas economy and ultimately **SUPPORTS NEARLY 1.2 MILLION ADDITIONAL TEXAS JOBS.**

THIS INDUSTRY CONTRIBUTED

\$104.8 BILLION

to the state economy in 2016.
