Item 17 - Suppliers, permissive suppliers, distributors, or distributors/aviation fuel dealers enter gallons sold tax free to suppliers, permissive suppliers, distributors, distributor/aviation fuel dealers, importers, importer/dyed diesel fuel bonded users, exporters and exporter/blenders for export. Complete the "Texas Schedule of Gallons Subsequently Sold Tax-Free Prior to Export" (Form 06-190) for gasoline or diesel fuel to obtain the necessary information for this item.

Item 18 - Any license holder enter gallons of gasoline or diesel fuel sold tax free to the US Government, Texas public school district, companies providing transportation services to a Texas public school district, Texas Volunteer Fire Department or Texas nonprofit telephone or electric cooperative. Complete the "Texas Schedule of Gallons Sold Tax-Free to Exempt Entities" (Form 06-159) for gasoline or diesel fuel to obtain the necessary information for this item.

Item 19 - Suppliers, permissive suppliers, distributors, or distributor/aviation fuel dealers enter gallons of dyed diesel fuel sold tax-free on a signed statement. Complete the "Schedule of Tax-Free Sales of Dyed Diesel Fuel Sold on a Signed Statement" (Form 06-160) to obtain the necessary information for this item.

Item 20 - Exempt sales include dyed kerosene delivered into the storage facility of a retail business for exclusive use in cooking, heating, lighting or similar nonhighway use and dyed diesel fuel delivered directly into the fuel supply tank of off-highway equipment.

Item 21 - Enter number of gallons used in a taxable manner and gallons subject to backup tax (see section 162.103 for gasoline and 162.203 for diesel fuel).

Item 22 - Suppliers, permissive suppliers, distributors, distributor/aviation fuel dealers, exporters, exporter/blenders, importers or importer/dyed diesel fuel bonded users enter gallons originally destined for Texas and reported as an import on return Item #5 or #6, but diverted to a state other than Texas, should be reported in brackets [] as a minus. Gallons removed from a Texas terminal originally destined outside of Texas and reported as an export on return Item #15, but diverted for delivery in Texas should be reported as a plus. Complete the "Texas Schedule of State Diversions of Undyed Diesel Fuel/Gasoline" (Form 06-161) for gasoline or diesel fuel to obtain the necessary information for this item.

Item 25 - Suppliers report gallons of gasoline or diesel fuel received in an IRS Registered Terminal on which the Texas tax had previously been paid. This includes transfers from a bulk plant to a terminal or purchases from unlicensed suppliers in the bulk transfer/terminal system on which tax was previously paid.

Item 26 - Refer to Rule 3.442. Enter the number of gallons of gasoline or diesel fuel on which tax was actually paid to the state on sales which have been charged off LESS any payments or credits applied to that sale. Bad debt deductions can only be taken on sales made on or after August 1, 1984. NOTE: If Item 26 plus Item 29 results in a credit, sign the return and the credit will be refunded directly to you. Refer to Rule 3.432 for an explanation of the time by which to apply for a refund.

Item 27 - Enter the gallons sold tax free on which the tax had previously been paid.

Item 28 - Enter tax-paid gallons lost by fire, theft or accident on which a credit or refund is requested. Attach a letter explaining how the loss occurred.

Item 29 - Enter the gallons used in a non-taxable manner, for example, off-highway equipment, on which the tax had previously been paid.

Item 31 - An allowance for handling may be deducted for the number of gallons on which the tax is timely paid.
