

## Written Questions

The solicitation document may invite respondents to submit written questions concerning a solicitation. This option may be in addition to or in lieu of a pre-solicitation conference. The date and time for submission of written questions should be specified in the solicitation document, if applicable. Written questions may be submitted by mail, facsimile, email or hand delivery.

If the solicitation is posted on the ESBD, the questions and answers should be posted with the solicitation document as they become available.
